

Crisis Preparedness

ACT NOW BEFORE THE NEXT
CRISIS STRIKES AT HOME

1 Smoke Detectors – add fresh batteries

2 Fire Extinguisher – check pressure gauge & expiration date

3 Fresh Battery Flashlights – store them near your bedside, bathroom & kitchen

4 Know How to Turn Off Your Water, Gas & Electricity

5 Update Emergency Contact Information – post it on your fridge

6 Have Food and Water Stored – enough for 72 hours for each family member

7 Update First Aid Kit
